Tenderers are required to deposit Rs.2,00,000/- (Rupees Two lakhs) only in the form of Bank draft/Bankers Cheque on any Nationalized Bank drawn in favour of the Orissa State Handloom Weavers' Co-operative Society Ltd. Bhubaneswar as Earnest/Security Deposit.

Tenders can be submitted latest by 3.00 P.M. on 14/12/11 at Office of the Managing Director, Orissa State Handloom Weavers' Co-operative Society Ltd., Bhubaneswar.

Tenders must be submitted along with certificates of execution of similar work done with National/Special/Mini Handloom Expo/any other Govt. Fair Authority of the country along with other documents as mentioned in detailed Tender Notice like PAN No./ITCC/STCC/VAT Clearance etc.

Tender will be opened on 14/12/11 at 4.00 P.M. in the presence of Tenderers at Boyan Bhawan, Orissa State Handloom Weavers Cooperative Society Ltd., Pandit Jawaharlal Nehru Marg, Bhubaneswar – 751001.

The works shall have to be executed within 20/12/2011 to 03/01/2012 and handed over by 4th January 2012 and only those tenderers who have the necessary expertise to execute the job within the stipulated time should submit the tenders on the above address.

The undersigned reserves the right to accept or reject any or all the tenders without assigning any reason thereof.

**Sd/-
MANAGING DIRECTOR**

ORISSA STATE HANDLOOM WEAVERS COOP. SOCIETY LTD
PANDIT JAWAHARLAL NEHRU MARG, BHUBANESWAR – 751001

GENERAL CONDITIONS

1. Sealed Tenders are invited from reputed Decorators / Contractors for construction of Exhibition Pavilion/Stalls/Front Gate and Electrification Work for the proposed National Handloom Expo to be held at Unit-III, IDCO Exhibition Ground, Bhubaneswar from 06/01/2012 to 29/01/2012.
2. The duration of Expo shall be 24 (Twenty four) days. However, in case it is extended up to 3 (three) days, no extra payment shall be made to the Contractors. In case the Fair extended for more than three days extra payment for each extended days(s) beyond 27 days shall be made at the rate not exceeding proportionate cost for 27 days. On completion of the Expo, the Contractor shall have to take away all the materials within 3 (three) days and shall have to vacate the site. He shall have to pay 25,000/- (Rupees Twenty five thousand) only per day for the days he occupies for vacating the site beyond the period allowed therefore. It is the responsibilities of the Contractor to obtain clearance certificate from the Complex Authorities regarding clearance of the complex.
3. The expo premises shall be formally made available to the Contractor by Expo Authority on, as is where is basis on 20th December 2011. The construction work must start immediately at site on the same day and be completed and handed over to the expo Authorities formally by 5.00 P.M. on 4th January 2011 positively. The progress of the work shall be checked and supervised by officers duly nominated by the Expo Authority to ensure that the work is done as per the specifications and time schedule. Tenderers are advised to inspect the site for physical condition before tendering.
4. In case any portion of work is not completed as per laid down specifications and handed over to the Expo Authorities on the due date, penalty up to 5% on the total value of work allotted/awarded will be imposed per day by the Expo Authorities.
5. The volume and number of works may vary at discretion of the Expo Authority; up to 40% of the contracted work either way & final payment to the contractor shall be regulated on the basis of actual work executed and on the rate(s) initially approved. For extra fittings contractor will have to quote rate separately. For all such extra fittings, the Expo Authority reserves the right to pay the lowest of the rates quoted by the competing contractor.
6. The Contractor will be responsible for up keep and maintenance of the entire work done by him till the closing of the exhibition, for which, no extra payments shall be made. He shall therefore, have to ensure adequate number of carpenters/helpers to the satisfaction of the Expo Authority. Breakages and damages in any work shall immediately be settled and no extra payment will be made for any damage, breakage or loss on account of any reason or natural calamities. Lay out plans etc of the site shall have to be provided by the tenderers. Managing Director, Orissa State Handloom Weavers' Co-operative Society Ltd, Bhubaneswar reserves the right to reject any or all tenders without assigning any reason or to accept any portion of the tender and award the remaining work to any other Contractor.

**Accepted
Contractor**

7. No part of the contract will be sub-let without the prior written permission of the Managing Director, Orissa State Handloom Weavers' Co-operative Society Ltd./Expo Authority.

8. It shall be the responsibility of the successful tenderer/contractor to obtain requisite permission for water, electricity power, coverage and other essential connection at the Expo Ground for the duration of the Expo i.e. from the date the ground is handed over to the contractor for construction to the date the ground is handed over back to the Local Authority from whom it has been taken on rent. It shall also be responsibility of the contractor to liaise with the concerned authorities and arrange all the civil, electrical connection and other amenities that may be required for running of the Expo. However, security deposits, if required, shall be made by the Expo Authority. Letters to the concerned authorities shall also be addressed by the Expo Authority. Security deposits, installation charges and consumption charges for all civil and electrical connections for the duration of the Expo while shall be paid by the Expo Authority, the contractor will however, have to pay all security deposits, installation & consumption charges, both civil and electrical for the duration he takes over the ground to the time he formally hands over the complete work of the Expo to the Expo Authority.

9. In regard to electrical fittings etc, the contractor shall have to engage qualified licensed Electrician/Contractor entitled to erect, handle and maintain high tension supply line and its up keep and maintenance.

10. The contractor shall not use any materials other than those specified in tender without the prior permission of the Managing Director, Orissa State Handloom Weavers' Co-operative Society Ltd., Bhubaneswar/Expo Authority.

11. No advance shall be paid to the contractor till completion of the work and handing over to the Expo Authorities, but part payment may be considered to the contractor during the Expo on mutual agreed upon between the contractor and Expo Authority. Final payments will be made only after completion of the Expo and handing over the complex to the Complex Authorities (IDCO).

12. All the Tenderers should fill the rate tendered in figures as well as in words. The tender form may be filled in English and all entries made by hand and written in ink. Over writings in rate is not permitted. All corrections should be attested by the tenderers with his initials as many times as corrections occur. Each page of the tender form and other related papers submitted there- with should be signed by the Tenderers. Any discrepancy in the rates written in figures and words, then rates written in word is final. Similarly discrepancy in the rates quoted for unit rate and total amount, then the rate quoted for unit is final.

Accepted

Contractor

13. The Tenderers are required to deposit an earnest/security money of Rs.2,00,000.00 (Rupees Two lakhs) only. The amount of earnest/security money will be accepted only in the form of Demand Draft/Bankers Cheque drawn in favour of the Orissa state Handloom Weavers' Co-operative Society Ltd., Bhubaneswar. Only those tenderers who have necessary expertise in the execution of the job within the stipulated time should submit the tenders. The tender without earnest/security money shall not be accepted.

14. While submitting the tender, the tenderers should submit the following:-

- i. Authentic proof of the work done of similar nature and value with any Govt./Fair Authority of the Country/ National Handloom Expo etc in a single work order and its certificates etc, within the last 3 financial years inclusive of current financial year.
- ii. Pan No., Income Tax, Sales Tax/VAT Clearance Certificate etc along with latest Service Tax deposit Challan as required for the Tender process.
- iii. Proof of financial status and credit worthiness of the firm from any scheduled Bank, indicating the financial capacity of the party to complete the work without any advance. The Authority reserves the right to ask for Bank Guarantee of 30 % (thirty) of quoted value to the successful/selected tenderer.
- iv. A list of works of similar nature executed given details of their magnitude, cost and time within which works were completed.
- v. Copy of valid registration, ITC, STC/VAT, Service Tax Certificates from concerned authorities.
- vi. The Tenderers shall have to furnish the license of the electrical contractor to entitle to take up such work along with his willingness.
- vii. The tenderer shall have to furnish the willingness of a registered Security Agency along with their Registration Certificate and other required documents.

Any tender not accompanied by requisite documents mentioned herein above is liable to be invalid.

The Tender shall be finalized on the following principles.

- a) Financial Involvement = 50 Points
(Full 50 Points will be allotted to the lowest Quoted Tenderer & proportionate reduced Point will be allotted to the other Tenderers)
- b) Credentials = 50 Points
(Full 50 Points will be allotted to the Tenderer having minimum 3 nos. of single Work Order of Rs.20.00 (twenty) lakhs or above from any Govt. Deptt./Agencies only in last 3 years & proportionate Points will be allotted to the other Tenderers, but no Point will be allotted to the single Work Order of less than Rs.20.00 lakhs.)

The Preference will be given to the Tenderers as per the points obtained.

**Accepted
Contractor**

15. The Managing Director, Orissa State Handloom Weavers Cooperative Society Ltd. Bhubaneswar/Expo Authority is not bound to accept the lowest tender and reserves the right to inspect / verify the stock of materials required for this work, in Godown of tenderers by nominating a Committee to ascertain the credibility of the firm. Further the undersigned reserves the right to reject any or all tenders without assigning any reasons. Conditional tender in any form whatsoever will not be qualified/consider and will be liable for outright rejection.

16. The successful tenderers shall immediately and not later than the next day of intimation of acceptance of tender, sign an agreement on Non-judicial stamp paper of appropriate value. Failure to do so shall give the Managing Director, Orissa State Handloom Weavers' Co-operative Society Ltd. Bhubaneswar/Expo Authority the right to revoke the acceptance of the tender without further notice to the tenderers, forfeit the earnest money deposits and award the work to any other contractor.

17. The successful tenderer shall have to take up the sanitary and water supply work within first 5 days time to avoid unhygienic condition inside the Expo ground.

STANDARD SPECIFICATIONS FOR THE INTERIOR AND EXTERIOR DECORATION WORK OF THE EXHIBITION PAVILIONS / STALL FOR NATIONAL HANDLOOM EXPO.

DETAILED SPECIFICATIONS

The structures should be steady and neatly finished. The basic structure is to be constructed with Balli Pillars and the rafter and purlins with bamboo at a distance not less than 2' (refer drawing No.1). The roof is to be covered with good quality tarpaulin and should be without any imperfection and holes to prevent leakages of water in the advent of rains in order to protect the products of the participants. Sufficient slope is to be provided to ensure water drainage in case of rains. The front should have minimum of height of 13.5' from the ground and the back should have a minimum height of 10.5'. The platform is to be made of 3/4" ply block board and should be at 1.5' height from the ground according to site conditions. Proper bracings at a distance of 2' (both vertical and horizontal) should be constructed to give platform enough strength and to withhold the anticipated crowd to the Expo. New Vinyl/synthetic carpet Flooring of approved quality should be laid over the platform. The gap between ground and platform should be covered with 4-mm ply.

The back and front side walls should be made of 4' frame work of not less than 3" x 1" vertical and at least 1" horizontal frame work covered with 4 mm. Ply board on both sides. Dividing walls should also be made as per the above specifications. The minimum height of the walls from platform should be 8'. The new white cloth ceiling with wooden framework should be fixed at 8.5' from the platform. A step at the entrance should be provided to enable the visitors to the Expo (as per the drawing to have an easy access to each pavilion). The front flex fascia should be as per approved design. The entire backsides of the stall should be fixed with 4mmply with wooden frame work..

Sale counter and cash counter is to be fabricated either with iron folded table or with 18 mm. Commercial block board/wooden post and shelve/similar nature of material as per site requirement and properly painted with approved shade colour. Height should be 36" and the width 2'. The length of the counter will not be less than 16' in each 250 Sft Pavilion/Stall.

One cash counter of 3' x 4' x 2.5' shall be provided in addition to the stipulated sales counters to each of the pavilion/stall with a provision of drawer and with a provision of chair for the cashier. Proper locking should be provided with cash counter. 4 racks should be provided in each pavilion and should be fabricated either with iron folded racks or with commercial block board/wooden post and shelves/similar material of size 8'x4'x1.5' with 5 shelves each (refer drawing). The racks to be provided should be properly painted with approved quality paints.

Accepted

Contractor

For each pavilion 2 nos. fire Extinguishers as approved by Fire Authority shall have to be installed. One each for common and another suitable for electrical fire along with fire extinguishers for each Pavilion, 2 nos. of buckets (specially designed for fire fighting) containing water in one and sand in another to be installed. They should be installed at places as directed by the Fire Authority. The Contractor shall have to obtain the Fire Safety Certificate at his own risk from the concerned fire authority. Electrical light and fan fittings to be provided with necessary wiring on main line separately for (a) fan (b) light (c) night lamp, distribution and point wiring including switch, main switch etc., using ISI standard wire and light fittings complete as may be approved by the local electrical authority. All fittings should be properly focused to enable enough/proper lighting at the sales counter and general lighting at the pavilion.

The following fittings will be provided:

Pavilion size (in sq. ft.)	Tube lights 40W & above	Ceiling Fan	Extra Night Lamp-cum-Inverter connection out of the provision as under.
1	2	3	4
250	8	1	1
500	16	2	2

(Contractor should provide requisite number of Invertors as stand by so as to provide connections to the number of lights as mentioned under column-4 in the case of power failures. Cost of the invertors should be covered while quoting per sq. ft. rate for the pavilions. The capacity of the invertors must be such as to meet the load of the installations under Col.4).

All electrical works including fittings and fixtures and wiring must be done through a licensed Electrical Contractor borne in the current approved list of PWD (Electrical/CPWD, etc) who will submit and obtain necessary approvals and submit TEST FORM to Executive Engineers, PWD/ Electrical Inspector Govt. of Orissa (Electrical for Power connections).

Accepted

Contractor

The Contractor shall quote rental for the following items for the duration of the Expo. The rental shall be inclusive of all wiring, trenches inclusive of all cabling from switch transformer to boards, distribution boards for each block of 10 shops to main panel board for three phase meter for requisite power load inclusive of all equipment structures and fittings as required for the electric supply and contact from the supply terminal to and inclusive of distribution board for a block of 10 shops as approved. Installation of transformer(s) shall also be the responsibility of the contractor. He shall also supply fix and maintain HRC fuses. TP switches fuse kits, DP switch fuses, porcelain Kit-kat etc., required for the distribution of power to individual shops. Complete safety measures shall be adopted and all cable joints etc., properly earthed with copper conductor and sufficient earthing pits provided under direction and approval of the Managing Director/Expo Authority. The rental shall include constant attendance of the qualified and experienced electrician for the maintenance and service (entirely at the cost of the contractor) as required, i.e. minimum 6 numbers of electrician in A shift (5 am to 1 pm), 12 numbers of electricians in B shift (1 pm to 9 pm) and 6 numbers of electricians in C shift (9 pm to 5 am) in proper uniform bearing the logo “ELECTRICIAN OF EXPO” having license / certificates to entitle to handle and maintain such electrical arrangements. The temporary electrical connection and consumption charges required for construction period shall be obtained by the contractor at his own risk and cost, in case it is provided by the Expo Authority then consumption charges for the duration of the Expo shall however be borne by the Contractor.

Besides the tube light fittings, spot lights, fans etc. mentioned in the general construction, the contractor has to provide the following lighting arrangements. Providing and fixing Halogen light outdoor type water proof fittings complete the under ground wiring and steel fixing brackets of 75mm x 6 mtrs high (‘A’ class steel poles duly painted black or as per instruction of the Managing Director/Expo Authority with two/four) 1000 watt halogens (quote separately for two/four). Providing and fixing 4’ long fluorescent tube light on new steel patties in the parking area. WC bathroom, etc., as per the instructions of the Expo Authority. The number of lights should be sufficient to avoid darkness and as per instructions given by Expo Authority. Complete public address system with a powerful (PA 60) switch over type amplifier with 2 microphones, tape player and 20 numbers loudspeakers strategically placed on the ground and parking area is to be provided. A full time operator and a full time announcer as approved by Expo Authority shall be provided by the Contractor to operate the Sound System, play cassettes of recorded instrumental music and to announce the required information’s as & when required. The control, amplifier etc will be located in or near the office.

Accepted

Contractor
